"Somewhere over the rainbow: a C building an inclusive company"

Remarks delivered at the Economic Club of Canada coincidi Conference, Toronto, ON

June 25, 2014

Written by **Ed Clark.**

Thank you for inviting me here today.

Let me begin by welcoming all those who have coi around the world, to join us in Toronto for World F

We do so with open arms.

For all of us who are lucky to call Toronto home – only to host this incredible international celebratio America to do so.

World Pride is a reflection of who we are – showc values -- of inclusion and tolerance – equality and

I've been asked to reflect on these values from a i specifically provide you with my views on building

It is an easy speech for me to deliver -- because t straightforward.

It really comes down to human rights – our rights those around us -- to live the life that we want to of fear – free of imprisonment.
